Medical History (allergies, medications, etc.) _____

Acknowledgement of Risks

I (both participant and parent/guardian) understand that skiing and or snowboarding is a hazardous sport. I understand that the sport of skiing and or snowboarding and the use of ski/snowboard equipment involves a potential risk of injury.
 I understand that the ski boot binding system will not release at all times and under all circumstances, and that it is not possible to predict every situation in which the system will release. I understand that the snowboard system has a non-release binding. I understand that a helmet is designed for recreational snow sports use will help reduce the risk of some types of injuries to the user at lower speeds.
 I recognize that serious injury or death can result from both high and low energy impacts, even when a helmet is worn. I have made note in regards to my height, weight, or skiing or snowboarding experience. (this information is required in order to properly adjust and select the individual ski boot binding settings). I also understand that I am only to use the equipment assigned to me, that I will not adjust or tamper with the ski bindings (ask staff for assistance) and that I will return the equipment at the end of each rental day.

The following actions are the responsibility of individual students:

1. Abide by the Alpine Responsibility Code.
2. Ski / Snowboard with a buddy.
3. Dress and pack for any type of weather.
4. Be on time for lessons and departure.

I have read and acknowledge the above information. I understand that lessons are non-refundable and non-transferable.
