YOUR DAY AT HUDSON BAY MOUNTAIN

PREPARATION

Mountain weather changes quickly and is difficult to predict. It always best to **“hope for the best but prepare for the worst.”** It is **your responsibility to ensure you arrive dressed appropriately** for winter mountain conditions. Below is a list of what you need to bring to have a safe and enjoyable day;

- Gloves
- Goggles/Sunglasses

- Jacket
- Snow pants
- Hat/toque
- Long socks
- Snow helmet (one will be provided if required)

There a couple of options for checking the weather on the mountain;

- Call our Snow Phone at 778-648-7669
- Check the live webcam on our website www.hudsonbaymountain.com/mountain_report.
- Check the morning snow report on our Facebook page

SIGN-UP AND ACKNOWLEDGEMENT

All participants must **completely fill out a Participant Sign-up Form and return it to the coordinator**. Please take extra care to sign and date the acknowledgement on the Participant Sign-up Form with signatures from parents or guardians if you are under the age of 19. **Participants cannot be included in the program without a signed acknowledgement**. Please return these to your coordinator as soon as possible!

Arrival

Students and chaperones start their snow day at Panorama Lodge located on Hudson Bay Mountain Resort. A mountain representative will welcome the group in the Panorama Lodge, cover information on lesson times and rentals, and review the Alpine Responsibility Code. Please remember that **arrival times directly affect time on the snow**.

Please be respectful of other groups and patrons that may be in the lodge.

Lessons

The schedule for lessons will be announced upon arrival. Lessons are 1.5 hours and are classified as **Never Ever, Beginner, Intermediate, Advanced, and Expert**. Please refer to the Lesson Classifications document for descriptions. **Helmets are mandatory for all students during their time on snow.**

Lessons on the Mountain are provided by knowledgeable, friendly, certified professionals who teach beginners to experts. HBMR requires **mandatory lessons for all student participants, on their first visit to the mountain with each new season**. Parents may then opt their child out of additional lessons on subsequent visits by filling out an additional waiver.

Lunch

School Group participants are welcome to pre-pay for a lunch coupon for \$13. This coupon when brought to Coyote Café pays for one 'school lunch special' which is either a pasta, burger, wrap, or chicken finger option. Please indicate on your Participant Sign Up form if you would like to take advantage of this option. Vouchers are valid only on the date issued and are non-refundable. To redeem the voucher, simply provide it to the cashier in the Coyote Café!

Rental Returns

All rented equipment must be returned to the Rental Shop by 4:30pm. **All students returning rentals must provide their name** to the rental shop staff so they can be crossed off the list and presumed safe and off the mountain. Although students are careful with their rental equipment, there have been instances where gear has been lost or misplaced. The school will be held accountable for the replacement cost of any gear rented out to a student that is not

returned by the end of the day's visit or is unreasonably abused.
